

**SEMINAR AT CANINE DESIGN**  
**CITY & GUILDS LEVEL 3/HIGHER DIPLOMA WORKSHOP**  
**SUNDAY 19 FEBRUARY 2012**

This seminar is aimed at people considering embarking on their City & Guilds Level 3 or the Higher Diploma either in the short term or at a later date and is designed to help you plan for your exam and to recognise your own strengths and weaknesses.

The day will be hosted by the Canine Design staff and the format will be as follows:

**Morning**

Discussion on what is involved in the Level 3 Introductory, the Handstrip Module, the theory examination and the Professional Diploma. We will also discuss the Higher Diploma and there will be the opportunity for questions and answers.

LUNCH BREAK (lunch will be provided)

**Afternoon**

There will be the opportunity for 8 people to bring along their own pre-prepared dogs to groom during the afternoon, with constructive advice and criticism from the Canine Design staff (places for groomers will be on a first come first served basis). Alternatively, you can be an observer. However, we would stress that you will gain the most out of the day if you are brave enough to groom, and don't forget its good practice for the big day!
